

# Pride Homework Suggestions

1. Read in Proverbs – finding verses on pride

- find 10 verses
- be ready to explain them (the consequences of pride)
- memorize two of them

2. Interview 4 people (I pick two of them) and ask them:

“How does my pride manifest itself?”

“What ways do you see me being proud?”

Note: do not ask them “Are there any ways that you see me being prideful?”

Take notes from each interview and be ready to report back to me.

3. Start doing 3-5 humbling acts of service each week – Record on card and be ready to report back.

4. Look for opportunities to verbally praise someone else and say, “You did a great job on that. I could never have done it that well.” Record 3-5 instances and be ready to report back.
