

What If ??????????

Someone in your group hangs around till everyone else has left and then tells you that his wife says that she is leaving him. He has not been a perfect husband, but he has not committed adultery or been unfaithful to her.

He asks you, **“What do I do? How do I respond to her? If she leaves me I don’t think I can go on!”**

You have 5 minutes to decide how you should proceed and you *must* have at least one verse to motivate / guide your decision

- How would you direct him?
- How would you give him hope? What verses?
- What would you show him to be his biblical responsibility?
- What should he focus on?
- Where do you begin?
